

Philadelphia Trans* Resource Guide

Updated 2015

Dear Community Members,

We are pleased to bring you the Philadelphia Trans* Resource Guide, a publication of Mazzone Center's Trans* Care Program. We strive to locate trans* friendly and affirming services for our clients and we hope that this collection of resources will be useful for you on your journey.

We welcome feedback on this guide and hope that as you come across providers who are friendly and accessible that you will share that information with us so we can add it to this community guide. This is a dynamic document, always being amended and changed. Please also let us know if you find out of date information so that we can correct it as needed.

Looking forward to continued service to our community, we hope that you will contact us if you don't see the information that you need here. We are more than happy to speak with you about your needs and we will strive to assist you in locating services and resources that meet your needs. Similarly, if you have questions about Mazzone's Trans* Care Program, please feel free to be in touch.

Sincerely,

Mazzone Center Family & Community Medicine

Gay & Lesbian Latino AIDS Education Initiative (GALAEI)

GALAEI is a queer Latin@ social justice organization. Since 1989, the organization has been dedicated to providing social services and referrals around HIV/AIDS and sexual health, organizing, and networking. GALAEI operates the **Trans Health Information Project (TIP)** which since 2003, has been the only multi-service trans-specific HIV prevention program in Philadelphia. TIP is a peer-led program designed by and for trans-identified and gender non-conforming people. TIP provides outreach, sexual health counseling, HIV prevention and testing, health and safety workshops, assistance with legal name change, support through transition, and other resources. www.facebook.com/tip.transhealth

Trans* Wellness Project (Mazzoni Center)

Our Trans* Wellness Project is focused on meeting the self-identified needs of trans communities, using a holistic and multi-faceted approach. Through a team of peer outreach workers we connect with individual trans women through street outreach and education, providing one-on-one support, referrals, and information about our programs and services, along with other resources available to them in the Philadelphia area.

Sisterly L.O.V.E. (Mazzoni Center)

Sisterly L.O.V.E. is a group created by and composed of trans women who meet monthly with a mission to provide guidance and support to Mazzoni Center's Trans* Wellness Project. This Community Advisory Board will ensure that Mazzoni Center provides comprehensive services for all trans* people and other LGBTQ community members who lack access to care. Sisterly L.O.V.E. will support the agency in providing an affirming and inclusive environment, while increasing awareness and education to the larger Philadelphia community. Sisterly L.O.V.E. provides community workshops, advocacy, and a chance to get involved with the community.

Community Resources Housing

Shelters

At this time, homeless services are heavily gender segregated. Philadelphia does, however, have the Fair Practices Ordinance, which mandates that individuals accessing shelter services have the right to be housed in a facility with the gender that they identify as. Ultimately, you are your own best advocate in this process and the providers listed below can help you navigate the system. We have included the following agencies, which have demonstrated LGBTQ competence:

24-Hour Homeless Outreach Hotline:

Our P.A.C.T.S. team is comprised of highly skilled clinicians and social workers with years of experience serving trans* and gender expansive youth and adults. Patients can receive multiple services under one roof, including: medical care, legal services, individual/family therapy, psychiatry, case management, and access to a state-wide network of GSA/school supports. Mazzoni Center Family & Community Medicine (809 Locust Street) is a family practice and is also Philadelphia’s largest provider for trans* health care, with patients ranging in age from pre-kindergarten to 70+ years old.
